1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2026 to 2027](#) and guidance on [using the pupil premium](#), [virtual school heads' responsibilities concerning the pupil premium](#), and the [service pupil premium](#) from the Department for Education (DfE).

3. Purpose of the grant

3.1 Pupil premium grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

3.2 Service pupil premium grant

An additional grant, the service pupil premium grant, is funding to provide pastoral support for pupils who are children of serving and former armed services personnel. Pupils can be eligible for both pupil premium and service pupil premium.

Service pupil premium will not be combined with pupil premium funding, and spending of each premium will be accounted for separately.

4. Use of the grant

4.1 Pupil premium

The school will use pupil premium funding to address specific challenges disadvantaged pupils face, through:

- High-quality teaching
- Targeted academic support
- Wider strategies to help pupils to attend, belong and succeed

Pupil premium is not a personal budget for individual pupils. The school may spend the pupil premium grant to benefit:

- Eligible pupils registered at our school
- Pupils who meet the funding criteria and who are registered at other state-funded schools – e.g. when hosting summer schools which welcome pupils from other schools

Where appropriate, the school may also use pupil premium funding to:

- Support non-eligible pupils with other identified needs, such as those who:
 - Have or have had a social worker
 - Are carers
 - The school believes to be economically disadvantaged but who have not been identified as eligible for the pupil premium
- Deliver whole-class interventions which will also benefit non-disadvantaged pupils

Our Pupil Premium strategy is informed by research evidence, referring to a range of sources, such as the [guide published by the Education Endowment Foundation \(EEF\)](#)

- Our Pupil Premium Strategy aligns with the 3-tiered approach described in the EEF's pupil premium guide. These activities:
- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Our Pupil Premium Strategy at St Bernadette's covers the following:

- Considers the context of the school and the main challenges or barriers our disadvantaged and vulnerable pupils face, and list some of these if appropriate
- Uses evidence, such as learning from what works in our school, to inform our decisions on pupil premium spending
- Addresses a wide range of needs, and takes group and individual needs into account
- Engages with parents to take their views on their child's needs into account
- Makes sure our school uses its pupil premium as effectively as possible (for example, taking into consideration which interventions will be the most beneficial for our pupils, based on evidence)
- Integrates pupil premium interventions into the curriculum
- Makes sure all staff promote the principles and ethos of the pupil premium strategy

Some examples of how our school uses the grant include, but are not limited to:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants /HLTAs
- Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)

- Providing extra tuition where needed (for example, ahead of national assessments such as SATs)
- Funding educational trips and visits
- Funding English classes for children who speak another language

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the conditions of grant, and using the template on GOV.UK. Our pupil premium strategy statement is available here <https://www.stbernadettesschool.com/school-reports-and-strategies>

4.2 Service pupil premium

The service pupil premium will be spent in response to the specific needs of service children at the school – it will not be used to subsidise routine school activity.

The school will use the service pupil premium to:

- Offer pastoral support and counselling during challenging times for service children
- Help mitigate the negative effects on service children of family mobility and separation
- Help pupils improve communication with a deployed parent

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below.

5.1 Pupils eligible for 'targeted' free school meals and 'ever 6'

From the 2026/27 academic year, all pupils in households that receive Universal Credit are eligible for free school meals (FSM) under the government's expanded FSM programme. As a result, there are now 2 categories of benefits-based FSM:

- Targeted: for pupils whose household income is less than £7,400 – the same income threshold as before the expansion
- Expanded: for pupils whose household income is £7,400 or more

Pupils who qualify for targeted FSM are eligible for the pupil premium; pupils who only qualify for expanded FSM are **not** eligible for the pupil premium.

Pupils in reception, year 1 and year 2 who receive universal infant free school meals (UIFSM) **and** qualify for targeted FSM are eligible for the pupil premium; pupils who only qualify for expanded FSM are **not** eligible for the pupil premium (though we still encourage them to apply for benefits-based FSM).

We will recheck pupils' eligibility annually?

Ever 6 FSM cohort

Pupils are eligible for the pupil premium if they have been eligible for targeted FSM (or FSM before the 2026/27 academic year) at any point in the past 6 years – these pupils are known as being part of the 'ever 6 FSM cohort'.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for more than 24 hours.

5.3 Previously looked-after children

Pupils recorded in the most recent October census who:

- Were looked after by a local authority or other state care immediately before being adopted, or
- Left local authority or other state care on a special guardianship order or child arrangements order

This includes children adopted from state care or equivalent from outside England and Wales.

5.4 Service children

A pupil attracts the service pupil premium if they meet any of the following criteria:

- They have a parent serving in the regular armed forces (this includes pupils with a parent who is on full commitment as part of the full-time reserve service) and they have been registered as a 'service child' in the most recent October DfE school census
- They have a parent serving in the armed forces of another nation and is stationed in England, and they have been registered as a 'service child' in the most recent October DfE school census
- They have been registered as a 'service child' on any DfE school census at any point in the past 6 years ('ever 6 service children'), as determined by the DfE's latest conditions of grant guidance, including those first recorded as such in the most recent October census
- They are in receipt of a child pension from the Ministry of Defence because 1 of their parents died while serving in the armed forces

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.
