

Monkey Maths Plan

Year 1 Week Beginning: 26.9.16

Learning Intention	Key Vocab	Resources	Activity
To recognise coins.	1p, 2p, 5p, 10p, Value Cost Pence Money Coins	Objects labelled with prices (1p, 2p, 5p, 10p). Coins Purse	Set up a mini shop with toys labelled. Monkey is very excited he has been given some money. He would like to buy some toys. Will you help him? First let us teach him all about the coins. Can you look in your purse and find a 1p to show Monkey? Repeat with other coins. Now can we show Monkey how to use the coins to buy a toy? Which toy shall we buy? Point to each toy in turn and ask the children to say how much the toy costs. Each child to select a toy and take it to Monkey with the correct coinage for Monkey to buy the toy.
	Questions		
	What is this coin? What does it look like? Which is worth more or less?
