Loving, serving and growing together with Jesus

10th June 2022

Dear Parents and Carers,

I am delighted to be able to share with you the Inspection Report from the Ofsted Inspection, which took place on 4th, and 5th May.

You will note that parents get a special mention within the report, **'The school's partnership with parents and carers is strong and parents are full of praise for the school'**.

The inspection team judged the school as follows:

Overall effectiveness: Good

- The quality of education: Good
- Behaviour and attitudes: **Outstanding**
- Personal development: **Outstanding**
- Leadership and management: Good
- Early Years provision: Good

As with any inspection, areas for development have been identified and you can be confident that these are already very much in hand.

Although it is quite a brief report, we hope that you enjoy reading about our, **'highly inclusive, happy school which values everyone's unique qualities'**. We feel that the report captures the special qualities of our lovely school very well and that the caring, respectful nature of our pupils really shines through.

As a school, we continually strive to develop and improve and this could not be possible without the support of our parents/carers, the commitment and hard work of our staff and governors and of course the efforts of our wonderful children. We are extremely grateful for all that each member of our school community contributes.

Yours faithfully,

Mrs Jane Zamora
