Believe

By the end of this unit of study, pupils will know that the Church teaches:

- God is the Creator of the Universe who made everything out of 'free and unselfish love'.
- That all human beings are made in God's image and all people have dignity and are created equal.
- A way in which human beings' image (imitate) God is through care for each other, and that caring for Creation is one of the ways we care for each other. Additionally, failing to care for Creation is a way people turn away from God's love.
- The dignity of all human beings is one of the principles of Catholic Social Teaching.

Live

By the end of this unit of study, pupils will know:

- Ways in which we can show care for God's world (stewardship) as part of our care for each other.
- Ways in which people can give thanks for the blessing of Creation, including spending time in prayer.
