

Creative Afternoon

Making reindeers

Listening to stories in the library

Building a snowman

Dec 3-21:03

Dec 5-13:38

Staff Champion afternoon

On Thursday 5th December, as part of the Staff Champion Programme, some pupils in our school took part in Creative afternoon with their Champion. We made reindeers using pine cones! Mrs Julian hunted in the forest and gathered as many as she could, washed them and brought them into school. Children then used the pine cones to make a reindeer, a tree decoration using pipe cleaners and wool. In the cooking area we made melted snowman using icing sugar and marshmallows. Finally we listened to Christmas stories being read in our school library. It was a fab afternoon! Some children even stated it was the best afternoon ever and that it was a lot of fun!
